

- Federal and States Legislation lays down framework conditions e.g. for
 - patient smart card
 - e-prescription
 - HPC
 - infrastructure
 - data protection and privacy

- Organisations of healthcare-insurance funds and providers implement the framework conditions
 - by agreements
 - no financing by Government but by insurance funds, healthcare provider organisations, industry, etc..
 - regional testbeds and pilots
 - construction of a telematic infrastructure
 - permanent assistance and surveillance by data protection agency

Supervision

Reinforcement by ordinances in case of inactivity or non-compliance
